

NDA (Non-Disclosure Agreement)

certifies that:

Consultant

- I accept that I have a duty to strictly keep all information that I get through my work in RPC Superfos A/S, confidential. It might be personal data, information about personal matters or about the company's financial, strategic or technological matters or other business related information
- I accept that this duty of confidentiality means that I cannot disclose information to other people about the above matters, be it individuals, businesses, the media or public, without the written consent of RPC Superfos A/S, neither during nor after my work period ends.
- I have read and understood the current "Agreement on acceptable use of IT resources in RPC Superfos".
